

Fee Protection Scheme (FPS)

FPS serves to protect students' fees in the event a Private Education Institution (PEI) is unable to continue operations due to insolvency, and/or regulatory closure. The Fee Protection Scheme also protects students when the PEI fails to pay penalties or refund fees to the students arising from judgments made against it by the Singapore courts. In seeking to be an EduTrust-certified PEI, LASALLE is required to adopt the Fee Protection Scheme to ensure full protection to all fees paid by their students. Therefore, the FPS is compulsory for ALL local and international students who are taking Bachelor of Arts (Hons), Masters of Arts, Foundation Certificate in Visual Arts (FCVA) and English programs at LASALLE.

Diploma courses offered by LASALLE are funded by MOE and therefore all fees are exempted from the Student Fee Protection Scheme under the EduTrust requirements of the Council for Private Education (CPE).

Medical Insurance Scheme (MIS)

As an EduTrust certified PEI, all full time Students of LASALLE are required to be covered under the Medical Insurance Scheme Insurer endorsed by CPE, regardless of whether Students have his or her own personal Medical Insurance Scheme.
